## Registration Form and Instructions:

For your convenience, the registration form on the next page can be filled out in your Acrobat reader before printing. To move from one field to the next, press the Tab key. After the form is completed, you can print it out with all your information filled in.

If you are paying by credit card, the form needs the signature of an authorized signer.

The 3-digit CVC is located on the back of the card, as shown to the right.

All classes are filled on a first come, first served basis. Return your completed form either by mail, fax or email with the dates you have selected.

The balance is due the morning of the class and can be paid by credit card or company check. If you prefer, you may pay the entire fee with your registration.

Cancellations received 24 hours prior to class will be refunded in full. However, no-shows and late cancellations forfeit the \$50.00 deposit--If the class was prepaid, the \$50.00 deposit will be withheld from the refund.

Participants completing the class will receive the Certified Renovator-Initial Certification Card, required by the EPA, Oregon DHS and the Oregon Construction Contractors Board. This certification is required to qualify for the Oregon **Certified Lead-Based Paint Renovation Contractor License**, also called the **Oregon LBPR license**.

Also for your convenience, you will find directions and maps to the Northwest Hazmat, Inc. training facility on the pages following the Registration Form. The first map is an overview of the Eugene/Springfield area, and the second map zooms in to the freeway exit and location of Northwest Hazmat, Inc. Maps are from Google Maps.
